Professional Experience

Frontend Developer, Speedpay

Mar 2023 – present | Lagos, Nigeria

- Build responsive web apps with vue.js, ionic, and typescript.
- Optimize web pages for maximum speed and scalability, ensuring cross-browser compatibility and accessibility by 20% in productivity

Frontend Developer, Butler

Part-time

- Worked collaboratively with backend developers to integrate frontend with server-side APIs using Vue.js, Ionic, React, and Tailwind CSS to achieve 2+ apps.

Frontend Developer, Vasiti.com

Aug 2022 – present | Lagos, Nigeria

- Designed and built responsive web pages using HTML, CSS, and JavaScript, resulting in a 30% increase in mobile traffic
- Implemented a range of website optimization techniques, including lazy-loading images and leveraging browser caching, resulting in a 40% decrease in load times
- Collaborated with the team on cross-functional projects, providing 80% constructive feedback and recommendations for process improvements

Frontend Developer, Kinplus Technologies

Feb 2021 – Jul 2022 | Ado Ekiti, Nigeria

- Developed and maintained several complex web applications using Vue.js, Vuex, and Vue Router.
- Optimized front-end performance resulting in a 50% decrease in page load time using techniques such as code splitting and lazy loading.
- Worked closely with designers and back-end developers to implement responsive and interactive front-end features.
- Ensured code quality and maintainability through code reviews and automated testing, reducing the number of bugs by 40%.

IT Support, Dangote Agrosacks Limited

Apr 2014 – Sep 2014 | Lagos, Nigeria

- Provided technical support to over 100 employees across multiple locations, both remotely and in person.
- Resolved over 150 hardware and software issues within a 3-month period, achieving a 90% customer satisfaction rating.
- Configured and deployed new workstations for new hires, ensuring a seamless onboarding experience.

Summary

Detail-oriented and passionate Frontend Developer with 3 years+ experience, skilled in translating designs and wireframes into high-quality code, building reusable components and front-end libraries, and optimising performance across a variety of web-capable devices and browsers.

Education
